EXPANDING Your Leadership *EDGE*

Leadership in the Social Sector

Presented by Joseph Bailey
Faculty, LBCC

Have you ever wondered how people lead while dealing with some of societies difficult and challenging situations? This month will have two guest speakers: Paul Barnes from Helping Hands and Nancy O'Mara from Center Against Rape and Domestic Violence (CARDV). This session will be an opportunity to hear from people who lead others in difficult situations. Even though you may not deal with the issues of violence or homelessness, there will be leadership lessons that you can apply in the workplace.
